### Welcome

#### Welcome on EDAMIS.

You are here on your dashboard, a place where you can add different widgets: a widget is a little panel that you can add here using the button just above. The widgets allow you to perform some operation or to get some information on the elements linked to your account, they are very usefull.

You can manage your account by clicking on your name in the top right corner of every page. After clicking on your name, a menu will appear where you will be able to:

- [View and edit your profile](#)
- [Request some rights](#)
- [Logout of the application](#)
